Student Parking Permits

Student Parking Permits for the 2012-2013 school year will be available for purchase in the Dean's office. **Only incoming Seniors (2013) and incoming Juniors (2014) may obtain parking permits.** Students should bring the completed application, the applicable fee of \$100, which may be paid in cash or check made payable to CLC, and their school ID (for proof of eligibility) to the Dean's office before school, during their lunch period or after school.

Parking stickers will be distributed at registration in August and each student will be asked to present their driver's license (if you have yours already please put this license number on the application form).

Just a reminder to both students and parents; students are **NOT** allowed to park on school property without a valid permit. Also, most streets around the school are posted as 'no parking' or 'two-hour parking' by the City of Crystal Lake. The City strictly enforces this parking restriction.
